Potential COVID-19 Exposure

Plattsburgh, January 19, 2021. Residents who were present at the American Legion 912 in Rouses Point on January 14th may have been exposed to COVID-19. The Clinton County Health Department recommends that residents self-monitor for symptoms of COVID-19 over the 14-day period from the date of the potential exposure. Symptoms include, but are not limited to, fever, cough, chills and loss of sense of taste and smell. If experiencing these or other symptoms of illness, seek immediate testing by contacting your medical provider or an urgent care center.

About the Clinton County Health Department:

The Health Department is an accredited full service department serving the residents of Clinton County. The Health Department’s Mission is to improve and protect the health, well-being and environment of the people of Clinton County. Visit our website at www.clintonhealth.org or connect with us on Facebook (@clintonhealth), Twitter (@ClintonCountyHD), and Instagram (clintoncountyhealth).
