### Potential COVID-19 Exposure

**Plattsburgh, January 24, 2021.** Residents who have visited Pleasant Corner Restaurant in Keeseville between January 12<sup>th</sup> and January 24<sup>th</sup> may have been exposed to COVID-19. The Clinton County Health Department recommends that residents self-monitor for symptoms of COVID-19 over the 14-day period from the date of the potential exposure. Symptoms include, but are not limited to, fever, cough, chills and loss of sense of taste and smell. If experiencing these or other symptoms of illness, seek immediate testing by contacting your medical provider or an urgent care center.
