Facebook Live COVID-19 Media Conference

A Facebook live media event will take place at 10:30 AM on Friday, May 1, 2020. Updates will be provided on the status of the COVID-19 virus’s impact on Clinton County.

Speakers will include:

- John Kanoza, Clinton County Director of Public Health
- Keith Collins, MD, CVPH Infectious Disease Specialist

Keeping in mind the health and safety of all community members, this will be a closed event. Questions can be submitted through Facebook during the livestream. Or, if you would like to send questions ahead of time, please submit them by 10:00 AM, Friday, May 1st to health@clintoncountygov.com. Please note that responses to questions submitted ahead of time may be added into individual speaker remarks, or responded to separately in the Q&A section of the conference, along with questions from the public.

A recording will be made available on YouTube after the event.

About the Clinton County Health Department:

The Health Department is an accredited full service department serving the residents of Clinton County. The Health Department’s Mission is to improve and protect the health, well-being and environment of the people of Clinton County.
