Facebook Live COVID-19 Media Conference

A Facebook live media event will take place at 11:00 a.m. on Thursday, August 19, 2021. Updates will be provided on the status of the COVID-19 virus’s impact on Clinton County.

Speakers will include:

- John Kanoza, P.E., P.G., Clinton County Director of Public Health
- Mark C. Davey, Ed.D., District Superintendent/Chief Executive Officer, Champlain Valley Educational Services
- Dr. Alexander Enyedi, President of the State University of New York – Plattsburgh
- A representative from the University of Vermont Health Network—CVPH

Keeping in mind the health and safety of all community members, this will be a closed event. Questions can be submitted in advance to health@clintoncountygov.com. Please note that responses to questions submitted ahead of time may be added into individual speaker remarks, or responded to separately in the Q&A section of the conference, along with questions from the public.

A recording will be made available on YouTube after the event.

About the Clinton County Health Department:

The Health Department is an accredited full service department serving the residents of Clinton County. The Health Department’s Mission is to improve and protect the health, well-being and environment of the people of Clinton County.
