SPECIAL NOTICE

New York State Worker’s Compensation/Disability Benefits Insurance Requirements

Effective December 1, 2008 the New York State Worker’s Compensation Board (WCB) has replaced Form WC/DB-100 (previously used to demonstrate exemption from WC/DB insurance requirements) with the new Certificate of Exemption (Form CE-200). Consequently, every permittee **MUST EITHER:**

A) Provide current insurance policy information (see application section G)

OR

B) File a current Certificate of Exemption (CE-200) form with your Department of Health permit application.

Failure to provide complete and accurate information about Worker’s Compensation/Disability Insurance, or proof of exemption, will preclude the Health Department from issuance/renewal of you permit. Current forms must be attached to your application each year or the permit will be denied in accordance with the New York State Worker’s Compensation Law (NYSWCL).

An overview that clarifies the requirements and the CE-200 exemption form is attached to this document. **Instructions for obtaining a certificate of exemption through the NY Business Express website are on the reverse side of this notice.**

If you have questions or need assistance you must call 1-877-632-4996.

The majority of these forms will be processed electronically. Applicants with internet access must complete the questionnaire online and print a copy of the CE-200 exemption to enclose with your permit application. Applicants without internet access should call the help line number above to request a paper form for mailing. **However, be advised that mailed applications may take four weeks for approval. To avoid delays, ALL applicants are strongly encouraged to use the online form.** Therefore, if you do not have a computer with internet access, we suggest you visit your local library to use one.

“Persons who have any physical mobility or other needs, call the telephone number above to arrange for accommodations”
