Note 1--The Director of Health Care Services may adjust fees as necessary to accommodate public health recommendations or to reflect changes in cost

Note 2--VFC means children <19yrs. of age

- Beginning October 1, 2012, publicly funded vaccine, either state or federally funded, may not be used for routine vaccination of any fully privately insured individual. Privately insured means anyone with commercial health insurance that covers the cost of vaccine, even if the insurance includes a high deductible or co-pay, or if a claim for the cost of the vaccine and its administration would be denied for payment by the insurance carrier because the plan's deductible had not been met.
- CCHD charges eligible VFC clients only for an administrative fee that doesn't exceed the NYS cap of \$25.10 per dose. \$25 Administration Fee and \$5 Administration Fee when paying in cash.
- CCHD will render VFC vaccines to any eligible VFC client regardless of their ability to pay the administrative fee.

Note 3--Ig is special order by SPHN with NYS authorization; fee set according to cost at the time plus admin fee

Note 4--Non-VFC Immunizations, Vaccine Cost plus \$50 Administration Fee or \$10 Administration Fee when paying in cash
