

Clinton County Community Water Systems That Fluoridate

The following are the community water systems in Clinton County that fluoridate in accordance with Article VIII, Section 2, of the Clinton County Sanitary Code:

TOWN OF BEEKMANTOWN

Southeast Beekmantown Water District

CITY OF PLATTSBURGH

City of Plattsburgh

TOWN OF PLATTSBURGH

Bluff Point Water District

Cadyville Water District

Cliff Haven Water District

Greater Plattsburgh Water District, which includes: Champlain Park, Cumberland Head, Cumberland Head Corners, Halsey Corners Service Area, Morrisonville #1 & #2, Quarry Road Service Area, Treadwells Mills, Wallace Hill #1 and Wallace Hill #2

TOWN OF SCHUYLER FALLS

Woods Mills Water District (extension of Cadyville Water District)

Morrisonville Water District

Please be sure to ask your patients which water district serves them because not all residents (those on their own wells) in the Town of Plattsburgh are fluoridated.

If you have any questions, please feel free to call us at 565-4870.

Sincerely,
Judy Ross
Sr. Public Health Sanitarian
